

SST & COSSBA PARTNERSHIP

MEMBER SERVICES GUIDE

For SST's complete range of services, please visit us online.

Safer Schools Together (SST) has partnered with the Consortium of State School Boards Associations (COSSBA) to advance the mission of supporting State School Board Associations by expanding access to high-quality safety training, consultation, and digital threat prevention resources as a service for board associations.

SST is dedicated to preventing school violence by equipping educational institutions, law enforcement agencies, and community partners with comprehensive violence prevention and intervention strategies. SST's approach combines the latest in digital safety techniques with proven behavioral assessment methods to ensure the safety and well-being of students, staff, and the wider community.
